Dear Senator [Insert Last Name]:

My name is [Insert Your Name] and [Insert Name of organization if applicable] I am a resident of [City, State]. I am writing to share my support of The Americas Trade and Investment Act (the "Americas Act" S.3878).

The Americas Act is a bipartisan piece of legislation introduced by U.S. Senators Bill Cassidy and Michael Bennet. The bill aims to stimulate sustainable trade and enhance manufacturing competitiveness in the Western Hemisphere, through promoting nearshoring and onshoring manufacturing, and limiting forced labor through closing the de minimis loophole. The Americas Act also marks the first time circular textiles have been included in federal legislation. This precedent setting effort solidifies a commitment to lessening the fashion sector's environmental impact through supportive federal circularity policies that will catalyze private sector jobs and stimulate the economy.

[If applicable, share how many jobs you provide in your community and other relevant positive economic and environmental impact]

I believe this bill is a historic step forward for U.S. green manufacturing jobs, economic development, and the circular economy. I hope that you will consider supporting the legislation.

Thank you for your time and consideration.  
Sincerely,
